Fanfiction?

Author's Notes:
Silly little drabble that came to mind.

"Fanfiction?"

"yeah it's like, fans write stories about us.."

"Wait, what? Really?"

Kirk beckons me to sit beside him on the sofa, there's a laptop open in front of him on the coffee table. He is hiding a smirk with a hand as he taps and clicks with the other.

"Go, go read that one.."

I tut and roll my eyes as the laptop is pushed over. But his excitement had me curious.

James Hetfield/Kirk Hammett. Huh? I flicked through, slowly my eyebrows raised and I looked back to Kirk.

"Wait a sec, its..."

"Yeah I know, surprisingly accurate right?!"
